**Mark your calendars; there are no other reminders, unless you have e-mail!**

Our primary distribution is by e-mail, including monthly reminders. If you aren't on the reminder list, send an e-mail to Dale (address below). You will also periodically receive some informational items from us.

Due to spam controls on e-mail systems, Dale had to divide the mailing list into four and mail each message four times, so you'll see only some of the recipients in your email.

If you know someone who should be on the list but isn't, let one of us know or ask the person to contact us. Let Dale know about any new retirees, or any who have moved into our area. They are welcome, as well.

We are enclosing our directory. The print is quite small, to keep the mailing cost down. The list grows each year! Dale will provide a larger print version to those on e-mail, or others who request it. If some of your information is incorrect or missing, contact Dale to update it.

**We hope to see you! No reservations necessary! Spouses and guests are welcome!**
